

Calling all Music Lovers! Now is your opportunity to catch a great concert in a listening room and to make a difference in the community by attending this benefit concert for The Tulsa Day Center to help our growing unsheltered community. All of the proceeds will go to the Tulsa Day Center.

Our featured artist, Sister Golden Hair, The Band, is an all female fronted cover band from central Texas that pays homage to the harmony laden hits of the late 60's and 70's.

Inspired by the golden age of modern songwriting, an affinity for classic LPs, and a passion for harmony, front-women Barbara Nesbitt, Wendy Colonna & Emily Shirley are committed to bringing the audience an experience that brings the audience all the good feels of these classic songs.

All of these front-women are talented singer/songwriters in their own right and have been writing and performing for many years. They will be including some of their original music as well.
