

TRINITY EPISCOPAL CHURCH COMMUNITY COVENANT

Version 6 – May 27, 2021

As Episcopalians, we are charged with loving our neighbors as ourselves, and respecting the dignity of all people. During the global Covid-19 crisis, we strive to remember these foundational ideals and, along with prevailing medical science, consider the safety and well-being of *every* member of our church family, and wider community.

I agree to the following community covenant:

- I will treat all individuals with respect and dignity, understanding that Trinity recommends masks while in the building.
- I will accept and respect the guidance of the trained volunteers, clergy and staff while on campus.
- I will offer grace to myself and others when we make mistakes, working to improve our behavior moving forward.
- I will be patient with Trinity leadership as they work through the ever-changing circumstances resulting from the global pandemic.
- I will strive to consider the health and well-being of all individuals, and do my part to protect them by staying home when I am not well.
- I understand that the measures taken by Trinity leadership are based on prevailing medical science, a love for our fellow humans, and care for our community.
